**Dear Parents and Swimmers,
We trust you are well and hope you have a great summer!**

Well done to our swimmers that took part in the gala event held at the Boksburg North Swimming pool the past Saturday. Our swim school attained 4 medals, 3 gold and 1 bronze. Thank you to all the parents for supporting our swimmers at the gala event.

We urge parents to remain on our premises whilst your child(ren) swim. We cannot look after your child(ren) whilst teaching other child(ren). Your child(ren) is important to us and we are trying to avoid potential incidents.

Kindly note that our school forms part of an enclosed area. Access to the school will be from Palm Road out of Monument road. Please ensure that additional time is included in your planning on the days that you or your children swim.

Kindly note that your December 2019 and January 2020 fee is payable by the 7th of December 2019, if you do not have a stop order in place for January 2020. If you would like to make a different arrangement kindly contact us.

When we have lightning and/or thunder, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we resume we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Thank you once again to those of you that referred friends and family to us.

**Best wishes,
Irene and Noreen**
