Dear Parents and Swimmers,

We hope you are still well and that you had a healthy winter so far.

In light of President Ramaposa's broadcast, regarding the new Covid Regulations, yesterday evening, we would like to **confirm that our school remains open for swimming**. We are a **non-contact sport** and were not affected by the new regulations.

With regards to **our aftercare children that we collect from schools**, arrangements will be made with those parents.

All other classes remain unchanged,

Thank you for your continued support and we trust you will continue to have a happy and healthy winter.

Best wishes,

Irene and Noreen
