

1 December 2021

Dear Parents and Swimmers,

Thank you for your continued and loyal support during this year!

Kindly take note that we will be **closed for the December holidays** from **Monday the 13th of December 2021** until and including **Saturday, the 9th of January 2022**.

Please remember to keep your current day's/times unless you have arranged differently with us.

Khanyisile will be taking over from **Khyle** on a Saturday Afternoon as an instructor from January 2022. **Khyle** will **still be teaching** at our school on a Tuesday and Thursday Afternoon.

We will be changing the Access Code to the street gate during the holidays. The new security code will be forwarded to you in an email on the 10th of January 2022, when we re-open.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume** we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.
