

1 December 2022

Dear Parents and Swimmers,

Thank you for your continued loyal support during the last year!

We will be **closing after lessons on Saturday the 10th of December 2022, and re-open on Monday the 9th of January 2023.** Please remember to keep your current day's/times unless you have arranged differently with us.

We will be changing the **Access Code** to the street gate during the holidays. We will forward you the new security code in a separate e-mail on the 10th of January 2023.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume**, we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Our sincere **thanks** to Cindy, Christe, Jeaneth, Johannah, Justine, Khanyi, Kgomotso, Khyle, Lindi, Noreen Snr, Petro, Piet and Sarne for all their hard work this year.

We hope you will have a wonderful and restful holiday. Please drive safe and are looking forward to seeing you all in 2023!

Best Wishes, Irene and Noreen
