

9 January 2023

Dear Parents and Swimmers,

Welcome back to everyone and hope you will have a prosperous and fabulous 2023!

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume**, we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Thank you for referring family and friends to us!

Trusting you will have a great year ahead.

Best Wishes,

Irene and Noreen
