

1 November 2023

Dear Parents and Swimmers,

Let's welcome November! A month filled with Gratitude.

Kindly note that caps are compulsory and cannot be borrowed. **Should your child(ren) forget their caps, a new one would have to be purchased. Take note that caps are purchased from our teachers in the swimming pool area.**

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume** we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Could we kindly ask that you **use your reference number with us**, when you make your monthly payment with us. This will ensure that your **payment gets allocated correctly to your** account with us. Thank you to those who have been doing so.

We will be **closed from Monday the 11th of December 2023** until and including **Saturday, the 6th of January 2024**, for our **annual shutdown**.

Thank you, for your, continues support. We trust you will continue to have a happy and healthy winter.

Best Wishes, Irene and Noreen
