

1 December 2023

Dear Parents and Swimmers,

Hoping that you and your family will have peace and joy this holiday season!

We will be **closing** after lessons on **Saturday the 9th of December 2023** and **re-open on Monday the 8th of January 2024**. Please remember to keep your current day's/times unless you have arranged differently with us.

We will be **changing the Access Code** to the street gate during the holidays. We will forward you the new security code in a separate e-mail on the **8th of January 2024**, when we re-open after the holiday's.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume** we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Our sincere thanks to Cindy, Charl, Christe, Jeaneth, Johannah, Justine, Khanyi, Kgomotso, Khyle, Lindi, Noreen Snr, Petro, Piet and Sarne for all of their hard work this year.

We hope you will have a wonderful and restful holiday. Please drive safe and we are looking forward in seeing you all in 2024!
