

1 February 2024

Dear Parents and Swimmers,

February is the month of love, so our wish for you is to have a month filled with love, please and happiness!

Popov's said that water is your friend... You don't have to fight with water, just share the same spirit as the water, and it will help you move.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume** we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

Thank you for your continued support so allow the water to call you and remember to swim!

Best Wishes,
Irene and Noreen
