

2 December 2024

Dear Parents and Swimmers,

**Hoping that you and your family will have peace and joy this holiday season!**

We would like to take this **opportunity to wish Christe well with her new journey**. Christe has left us in the middle of November 2024 and will be replaced by **Khanyi whom has been working for us on a Saturday for the last 3 years**.

**Welcome to Lethabo and Tshepang that have joined our team**. Lethabo has joined our team on **Monday and Friday mornings** and Tshepang on a **Tuesday morning**, with our school groups.

We will be **closing** after lessons on **Saturday the 7<sup>th</sup> of December 2024** and **re-open on Monday the 6<sup>th</sup> of January 2025**. Please remember to keep your current day's/times unless you have arranged differently with us.

We will be **changing the Access Code** to the street gate during the holidays. We will forward you the new security code in a separate e-mail on the **6<sup>th</sup> of January 2025**, when we re-open after the holidays.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we **resume**, we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.
