

2 February 2026

Dear Swim Family,

Swimming is more than just a skill — it's confidence, strength, and peace of mind. Whether you're a beginner floating for the first time or a competitive swimmer pushing for **new PBs, your journey matters**. Let February be a reminder to **fall in love with your progress**, no matter how small.

Please note: Spaces are limited RSVP early to avoid disappointment.

Please take note that when we have **lightning and/or thunder**, we must stop the lessons for everyone's safety. Our drill is set out in the Contract, so we won't repeat it again here. We do not cancel a whole session, because sometimes a storm passes over quickly, and we are able to resume after only missing a couple of lessons or so. Other times it can be several hours before we can get back in the water again. We have no way of knowing what the progress will be, but when we resume, we will include those swimmers who have been kept waiting, up until normal closing time for the day. You're welcome to contact us should you require further clarity.

"The water doesn't judge. It reflects the effort, the patience, and the heart you put into it."

Warm regards,

Irene and Noreen
